Manager's message

Welcome to all our new and existing guests! Many of you will be enjoying the recent upgrades to our beautiful park including our bright and sunny reception, kiosk and of course the main attraction on Toorak Alley, our newly refurbished amenity building.

The park has been bursting at the seams with families this holiday season with loads of activities and fun for all. Christmas was a fantastic time here at the park, starting with Santa making a surprise visit on the CFA Fire Truck for the kids on Christmas Eve. The weather was beautiful right across the Christmas holidays and we enjoyed welcoming in the New Year with 450 guests and the spectacular fire-works display at the Port.

Everybody has been frantically rebooking for next summer with most already having secured their sites for Christmas 2012. So if you are thinking of joining us at this time, drop into reception and have a chat with the girls so you are guaranteed a reserved site in our park next year. After such a fun summer these sites won't last long!

With the festivities behind us, so much summer left to enjoy, and the kids heading back to school, there's plenty of tranquility and time to kick back with the Koalas here at Portland Bay Holiday Park. And remember, the best of summer weather is right now in February and March. So enjoy!

We look forward to meeting you all and hope you enjoy your stay here with us at Portland Bay.
